Avoca Warren Avenue lookout renewal

Engagement summary

Summary

Between 10 October to 10 November 2024 Central Coast Council sought community feedback on renewal of the Warren Avenue lookout in Avoca.

The viewing platform at Warren Avenue lookout, Avoca Beach, will be demolished due to safety concerns. In its current state, the platform poses a hazard to the public, and Central Coast Council is committed to ensuring everyone's safety.

We asked for your input to help shape the future of this space. If the community supports a replacement, we'd love to hear your ideas for design features. Consider aspects like seating, lighting and accessibility.

Opportunities to provide feedback included a pop-up event on-site, via an online survey and via email submission.
