About our Disability Inclusion Action Plan

Central Coast Council needs your help with our new Disability Inclusion Action Plan

DIAP for short.

A **DIAP** tells the Council how to make sure that people with disability are part of the community.

We want to know what you think will make our community better for people with disability.

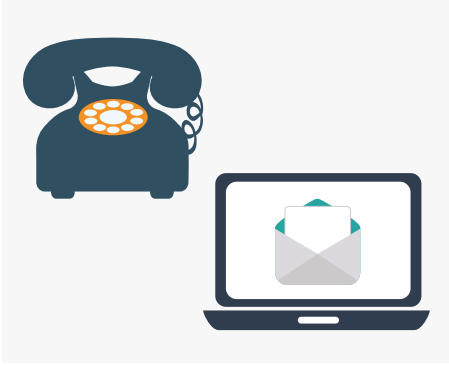

We want you to fill out a survey.

A survey is a list of questions to find out what you think.

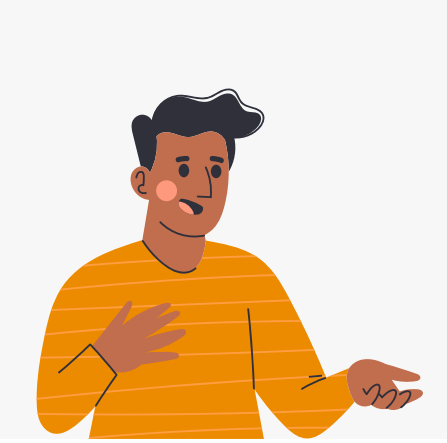

Contact Jodie Frost-Foster at Central Coast Council if you need help with the survey: Jodie.Frost-Foster@centralcoast.nsw.gov.au
